A MONTHLY NEWSLETTER FOR HOSPICE OF HAVASU VOLUNTEERS

Fundraising efforts planned for Fall

Plans are well underway for a busy late fall of fundraising activities and events.

A first-time event will sponsored by Hospice of Havasu on Oct. 29. We will be hosting a Biker Memorial and Poker Run, which should be a big draw and a fitting way for

our biker friends to remember those who have gone on ahead.

The annual Friends of Hospice of Havasu Craft Sale will be Nov. 12 with the annual Parker Golf Tournament will be Nov. 19.

Look Who's a Winner!!

Mary Lomberto, HOH Funds and Donation Coordinator, and Judy Scartozzi, LHC Store volunteer, are the recipients of a \$25 gift card for their participation in the Volunteer Referral Program. This is an ongoing program; if you refer a person who completes volunteer training and provides 40 hours of service..you receive a \$25 gift card and \$50 for Parker or Bullhead City areas. So spread the word! Share your exciting volunteer experiences and invite interested individuals to join our ranks.

It's that time again to make Your Opinion Count!!!

Again this year in mid-September, all volunteers will be receiving a Volunteer Satisfaction Survey in the mail with a return envelope to use for your convenience. All surveys are anonymous and confidential. Your participation is greatly appreciated as this valuable input helps to shape the future of Volunteer Services Department/programs.

JUNE SAFETY TIP

Protect your feet: Wear closed-toe shoes. All staff entering patient home and facilities are required to wear closed-toe shoes.

Bless those critters!

On Saturday, May 21, Hospice of Havasu's main office parking lot was filled with an assortment of furry friends. Volunteer Sandy Johnson, Pet Minister, provided a "pet blessing" for the pet/s of staff and volunteers. Sandy was assisted by HOH Chaplin Carol Sheffield as each loving creature was provided a special treat and tender words of affection. 4-legged and 2-legged participants were moved by the special thoughts shared on their behalf.

Sandy and Carol were overheard discussing the possibility of making this an annual event. Many thanks to the Chaplains for remembering that "pets are people too".
