

Planning for the Future

Advance Care Planning

Advance Care Planning is important for everyone, regardless of age. Letting others know of one's healthcare preferences is essential in the event of incapacitation resulting from illness or injury. This workshop provides and reviews the Arizona Advance Directive Packet and discusses other important conversations about "What to do When..." Advance Directives include:

- Health Care Power of Attorney
- Mental Health Care Power of Attorney
- Living Will
- DNR (Do Not Resuscitate)
- POLST (Physician Orders for Life Sustaining Treatment)

What My Family Needs to Know

The "What My Family Needs to Know" workshop reviews and provides a workbook to help in identifying and organizing important documents and accounts.

Hospice of Havasu

232 London Bridge Road, Bldg . A

Thursday, February 29, 2024
